The office address of The Eye Opener has been changed from the Cameron Block to 303 Bessborough, just a block north.

Here is a letter out of a plank in the "Bessborough" platform.

They got me in—It was eight years ago. They never have let go their hold. In the rain, in the cold, or in the sun.

They stood beside my morning bed. In the dawn of the day, they were not far from me. They waited at the close of day. To deal an hour from my sleep.

At Pentic, Patic, or "Biggest Show On Earth," a voice would whisper low, "You've never won a cent, you know."

I held Sir's slim hand in mine. And I heard it. "It's then play super time."

The Golden Stars I hope to view. I know just what they mean to me. St. Peter's joy, "Come in, and do."

Maybe it would be a good idea to have ten million in the bank.

Premier Greenleaf and his little meddlesome candor are moving about readily. The old order passeth.

Men trained, and accustomed to have trading, allegedly suggest that Michael Clark is deliberately enhancing the importance of the Farmer movement by refusing, with a grand gesture, to have anything to do with it.

"I thought you said I was sootable with pot and meat. I'd get off," said the motorist.

"Yes," said "Good morning, your honor and how are you today?" and he replied, "Fine—\$157."

Now that summer is over, how did you enjoy the dandelion wine? It really wasn't so bad, but you stuck enough whiskey in to take away the dandelion taste.

It has been definitely decided that neither Commissioner, Dennis nor Alderman Huggill will attend the Washington conference on disarmament and Pacific problems.

Have you, perchance, amongst your friends, one who stays up on the street, when you are in a devil of a hurry, to ask you a conundrum? One such was on page on Eighth Avenue the other day to listen to this school.

What is the difference between a school man and a bear sitting out of a cage of joy?

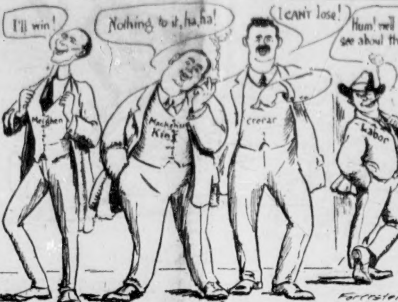

After the usual interval of denouncing we give it up, and he goes on. "One keeps her school, and—"

Then he passed on down the street, hearing a completely mystified Huggill as we use the point yet!

Those who know Billy Goodrich, the recently appointed Senator, will be surprised in the slightest degree if his first act in Ottawa was to try in his real self to introduce a resolution to abolish the Senate.

A woman can't understand why callers invariably drop in when she isn't disposed to receive them.

CALGARY, ALBERTA, SEPTEMBER 24th, 1921

Mark well that chap to the right!

POLITICAL JOTTINGS

Mr. John M. Jellison, of Elbow Park, has published a well known, little book, "The Farmer's Handbook," which is a most necessary for his beautiful new home. It has been found in the cabinet for a bottle of Scotch Whisky.

Dr. Wm. E. Spaulding is thinking of running as a Conservative candidate in West Calgary. They can't agree on anything, can they? No, certainly not.

John Joseph Harry and Scott have agreed to settle the question of what is the Chief Justice's Chief by playing a match game of golf out at the Country Club. Scott, who has defeated Jack Hamilton and Harry Vardon over and over again in his sleep, is betting heavily on himself. Harry has arranged with the green-keeper to have all the bunkers removed and the holes enlarged. This ought to prove an interesting match. Sid McCullough will attend in the sixteenth hole.

Local bootleggers and their steady customers are the mainstay of the present political party, and they expect to keep the United Farmers in power. They claim that Wood has given himself a bad name.

The Premier Meighen realizes the danger of the situation. He is not a man to be taken in by the "Bessborough" platform.

The real challenge comes from another quarter. A new movement is being organized to take the fight to the "Bessborough" platform. It is a movement that is not to be taken in by the "Bessborough" platform.

These are facts we cannot ignore, and the reality of the situation is that the "Bessborough" platform is not to be taken in by the "Bessborough" platform.
